<p>I would just like to know how this is going to affect the surrounding graves and the remembrance garden that surrounds the church. The graves that are very next to the church are my main concern. My brother has a remembrance grave next to the church which I attended each week.</p> <p>What will happen to the graves ?? And if this goes ahead and the graves are left will we be able to go visit still. ?? And how do we know that they won't get vandalised in the building work that is to be done.</p> <p>I find this very disrespectful that someone is wanting to renovate a church into 2 dwellings and parking space.</p> <p>These are peoples families and this is the only place some people can go to to feel close to their family.</p>
