Thank you for your letter of 8th August 2023 regarding the above planning application. Historic England provides advice when our engagement can add most value. In this case we are not offering advice. This should not be interpreted as comment on the merits of the application. We provided pre-app advice to the applicant and the issues we raised through this process have been addressed.

We suggest that you seek the views of your specialist conservation and archaeological advisers. You may also find it helpful to refer to our published advice at <https://historicengland.org.uk/advice/find/>
