

THIS FORM IS FOR USE BY ELECTRICITY NETWORK OPERATORS TO ADVISE LOCAL PLANNING AUTHORITIES OF PROPOSED WORKS TO BE UNDERTAKEN WITHIN THEIR DESIGNATED AREA THAT ARE CONSIDERED TO BE EXEMPTED UNDER THE OVERHEAD LINES (EXEMPTION) (ENGLAND AND WALES) REGULATIONS 2009. LOCAL AUTHORITIES HAVE THE RIGHT TO INVOKE THE FULL SECTION 37 PROCESS UNDER THE ELECTRICITY ACT 1989 SHOULD IT BE CONSIDERED NECESSARY.

The Form should be sent in triplicate to each Local Planning Authority in whose area the proposed development would be situated.

Date: 19/07/2023

To: The Chief Executive, Kirklees Metropolitan Council

Electricity Act 1989: Overhead Lines (Exemption)(England and Wales) Regulations 2009

It is proposed to undertake the following work that is considered to be exempted from the Electricity Act 1989 by falling within the Overhead Lines (Exemption)(England and Wales) Regulations 2009:

Northern Powergrid propose to install a new single pole with 2 stays to improve the local network.

This will involve removing a section of overhead line with 8 single poles, to be replaced with one terminal pole with 2 stays and high voltage underground cables. A single terminal pole with stays will be installed in the position shown as a red dot and 'T' on the plan. The existing overhead line and poles (shown as a blue line) on the plan will be dismantled and recovered. The Department for Business Energy and Industrial Strategy (BEIS) guidance on these works states that minor works as above are planning exempt.

The Council/Authority is requested to indicate that it has no objection to the work being carried out by returning two copies of this Form with the Certificate completed and signed.

Yours Faithfully
