### **REFUSAL OF PERMISSION FOR DEVELOPMENT**

---

**Application Number: 2023/62/92355/W**

---

**In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-**

#### **FORMATION OF ROOF TERRACE**

**At:** 13, HILL, HOLMFIRTH, HD9 3BN

**In accordance with the plan(s) and applications submitted to the Council on 08-Aug-2023, except as amended or specified, details of which can be found in the table below. The reasons for the Council's decision to refuse permission for the development are:**

1. The development has been seen, and would further result in, incongruous alterations including the introduction of a solid feature in an already elevated position which would have a detrimental impact upon the visual amenity and character and appearance of the area, as well as the setting and significance of adjacent Grade II Listed Buildings. No public benefits are considered to exist to justify the identified visual harm including the less than substantial harm to Grade II Listed Buildings. The development would therefore be contrary to Policy LP24a and LP35 of the Kirklees Local Plan, Chapters 12 and 16 of the National Planning Policy Framework, Policies 1 & 2 of the Holme Valley Neighbourhood Development Plan and Principles 1 and 2 of the House Extensions and Alterations SPD.

2. Due to the overall size, scale and height of the terrace, there would be a significant impact on neighbouring properties, in terms of overshadowing and the creation of an overbearing feature and overlooking with a loss of outlook to No. 12 Hill. The development would therefore fail to accord with Policies LP1, LP2 & LP24 of the Kirklees Local Plan, Principles 3, 4, 5 and 6 of the Council's adopted House Extensions & Alterations Supplementary Planning Document as well as policies within chapter 12 of the National Planning Policy Framework.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application. The Case Officer did not undertake any negotiations with the applicant due to there not being any design solution that would overcome the concerns raised.

#### **Development within a Coal Mining Area**

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:

#### **Site Notice**

- The application has been publicised by notice(s) in the vicinity of the site. Please would you now remove the notice(s) and responsibly dispose of to avoid harm to the appearance of the local area.

#### **Appeals to the Secretary of State**

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- As this is a decision for a householder application, if you want to appeal against your Local Planning Authority's decision then you must do so within 12 weeks of the date of this notice.

- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
  - i) 28 days from the date of this notice where the enforcement notice has been served,
  - ii) 28 days of the date of service of the enforcement notice or,
  - iii) 12 weeks of the date of this notice,which ever period expires earliest.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorates Website](#) . Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](#).
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.
