Subject: FW: Attached letter from Kirklees Council regarding application number 2023/92448 at location Former Cooper Bridge Water Treatment Works, Leeds Road, Huddersfield, WF14 0BT

Hi Ellie, thanks for the invite to consult on this application.

I've screened and it does not meet the criteria for submission of a rapid health impact assessment. The ward in which the development sits (Liversedge and Gomersal) is not an indicated ward in the guidance.

As such, public health have no further input at this stage.

Best wishes, Tom
