Listed Building Consent for replacement windows and door (within a Conservation Area)

Date Responded: 30.8.2023

Responding Officer: Sue Brooks

The Conservation and Design Team has no objections to this proposal for a replacement door and selected windows, which are all modern interventions following a barn conversion in the 20th century.

The proposed units incorporate slim double-glazing which will have no impact on the historic fabric of this curtilage listed building and is therefore acceptable.
