

Aldi, New Hey Road

Delivery Management Plan

The Aldi foodstore should not receive deliveries outside the following times:

- Monday to Saturday 06:00-23:00
- Sunday 06:00-22:00.

The following mitigation measures are secured:

- a. No reversing beepers outside of store opening hours;
- b. No use of refrigeration units whilst on the site;
- c. Vehicle engines not left running whilst stationary; and
- d. All unloading to take place internally within the building whereby the vehicles reverse up to a level dock enclosed in a surrounding curtain and goods are wheeled directly into the warehouse area.
