Postcode:	HD9 7EH

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
Not enough information has been presented within this application in regards to operating times, dealing with excess traffic on the narrow lanes in the area and noise pollution. Previous events held at this location has caused annoyance to many locals, with the noise levels being that loud that the music being played has been recognisable, word for word on Horn Lane New Mill. All in all I have a number of concerns around highways, safety, ecology, noise and it's impact on openness and the fact that it is also located in the Greenbelt.
