| <p>Take The Lead dog park has been a godsend for the local community. With the increase in dog attacks, secure dog fields are severely needed to exercise dogs off lead. Many of us that use the field have dogs that cannot be off lead in unsecure areas, for many reasons. It also allows for a safe environment in which to train, socialise and monitor dogs.</p> <p>We also use the field to work with foster dogs and without this field, it will make it so much harder.</p> <p>The dog field is clean and tidy, it also screened from the road.</p> <p>We regularly have up to 5 cars when training and socialising our dogs with friends. We have never had a problem with parking/access.</p> | |
