Subject: FW: Attached letter from Kirklees Council regarding application number 2023/92633 at location St Marys Rc Church, Upton Street, Carlinghow, Batley, WF17 8PH

Hi Ellie, thanks for the invite to consult on this application.

It doesn't meet the screening criteria for submission of a health impact assessment (<50 dwellings) and so public health doesn't have any further comment at this time.

Best wishes, Tom
