| <p>I support this application wholeheartedly and ask you to please pass these plans, the whole sorry situation really has gone on too long, nearly 20 years for the old school building, surrounding neighbours have had to put up with vandalism, theft, anti social behaviour and the rest that goes with derelict buildings. St Mary's Church and School are at the centre of the community and should look and feel the part, instead of the disgrace it looks from the North Bank Road side. Please take no notice of any whimsical impractical ideas of what the building could or should be used for by people who live nowhere near the area and see nothing of the problems it causes, the buildings have had there time and served their purpose, they need to come down now so that the whole area can be improved. This is Kirklees chance to finally make a positive decision on these plans and let everybody concerned move forward and get on with the well overdue improvement of the site and get the area around St Mary's looking as it should, a place that neighbours, churchgoers, pupils and parents can be proud of</p> | |
