<p>Dear Sir, I fully approve of the application as I feel this would massively improve the surrounding area which has become an eyesore and health and safety hazard. What's more, the plans to create more parking and a small residency would also impact positively as at present school and church visitors park on North Bank Road, causing congestion and safety issues at the start and end of the school. The application would also benefit security in the area, which has been negatively impacted by the derelict school and convent.</p>
