## User comments

Type of comment: A supporting comment	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I wish to support the application, the current state of the buildings are dangerous, an eye sore and beyond a state of repair.</p> <p>This is having a large impact on the surrounding environment.</p> <p>The elevations of the new houses need more consideration to the architectural design and be more sympathetic with the surrounding buildings.</p> <p>This development can only improve the effect on the character of the area and increase surrounding property values.</p>
