| Type of comment: A supporting comment | |
| Do you wish your comments to be published on the website anonymously? | <input type="checkbox"/> Yes |
| <p>I would respectfully urge your support of this application; this site is currently a focal point for anti-social behaviour, the existing buildings are beyond restoration and there is a lack of off-road parking for the school and church. The application will address all of the above issues as well as providing much needed affordable housing in the area. The area will be improved beyond recognition by this development, please give it your approval.</p> | |
