<p>In my opinion this is a really positive application and will enhance the area. It will help the school, church and local community by adding security and reducing the risk of further vandalism of the old school building. Having worked at the school for many years I have seen the buildings and area sadly deteriorate however this planning presents a great way to preserve the heritage of the area whilst creating homes and improving the environment for the school and church community. I would wholeheartedly support this application.</p>
