Regarding Planning Application Number: 2023/92795 - 37 Upper George Street

To whom it may concern,

. I have been informed about the application to turn 37 Upper George Street into dwelling of multiple occupations. I oppose this application because as I have grave concerns that 12 new dwellings will increase the noise levels in a quiet area and it will also increase the parking issues as there is already not enough parking for the residents. I would appreciate if you decline the application of multiple occupations at 37 Upper George Street.

Yours Sincerely,
