Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This fence is on the corner and frontage of the property and has been erected already, without planning permission. It is unsightly and seems higher than the permissible height allowed, planners need to check this. It is totally out of character with surrounding properties and shrubbery has been removed which was a haven for wildlife. There are several retrospective planning applications at the moment in the Batley area, maybe your planners need to visit and see these for themselves as it appears people are flouting planning requirements in this area!
