| <p>This will have a severe detrimental impact on Cliffe Lane. The traffic is already an issue and these dwellings will impact this terribly.</p> <p>The beautiful green space will be destroyed forever</p> <p>Schools are already at capacity and these will affect this adversely also.</p> <p>Please stop this madness.</p> |                              |
