Do you wish your comments to be published on the website anonymously?	Yes
<p>I would to object to this application for the following reasons</p> <p>1/ flooding concerns this development has surface water drainage flowing directly behind the scout camp into mazebrook Nan hall beck which can't cope already with the amount of water only 3 years ago houses at the bottom of cliffe lane were flooded and residents out of their houses for months and when the merchants field development gets under way will create a major problem.</p> <p>2/ traffic concerns Cliffe lane totally unsuitable for large amounts of traffic that goes up and down this country lane daily I myself have had a few new misses as the road bends and narrows further down in the other direction woodlands road now seems to be a major cut through which has got a lot busier in recent years with numerous lorries daily .</p>
