<p>I am against this application</p> <ol style="list-style-type: none"><li>1. Traffic concerns - Cliffe lane is already a busy road and with the additional properties it would add to this and cause potential accidents and issues.</li><li>2. Schools - all local schools are over subscribed. BBG is heavily over subscribed with local Gomersal children missing out each year - these houses would add to that.</li><li>3. Scenery and impact on existing houses - the amount of houses wanting to be built on this space is too many. There is a lot of wildlife who use the area and the green space offers nice views for local residents.</li></ol> <p>There will be no green spaces left in Gomersal if soon enough.</p>
