Address of the site or building:	Land to the rear of, 271, Cliffe Lane, Gomersal, Cleckheaton, BD19 4SB
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
Building these houses would be taking away green space that is much needed and adding more housing, and this people, onto already overloaded resources in the area. Planning shouldnt go ahead unless the council can guarantee extra resources for the areas, schools, doctors, more buses, road improvements, traffic improvement plans, etc. As the council is struggling for money i fail to see how this could happen.
