Postcode:	

### User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
I'm objecting to this proposal for the following reasons: 1. The loss of green fields and general negative environmental impact for wildlife 2. Adverse impact on the road network on and around Cliffe Lane which is already busy for a country lane. It does not have the necessary infrastructure to deal with a further increase in traffic. 3. Change to the landscape in a scenic part of Cliffe Lane/Gomersal
