Pentlands Section 73 – Alterations to approved drawings:

House Type 2:

- 1) Reduction of footprint
- 2) Removal of Study to first floor
- 3) Removal of En-Suite to first floor
- 4) Omission of sawn faced stone

House Type 2A:

- 1) No changes

House Type 2B:

- 1) Door canopy amended to pitched roof.

House Type 4:

- 1) Amendments to Velux window heights.

House Type 5:

- 1) Front canopy roof amended to pitched roof.
- 2) Utility door omitted due to level differences.

House Type 5A

- 1) Front canopy roof amended to pitched roof.

Site Plan

- 1) Alterations to approved building levels – This is due to buildability issues with the gradients of the roads and adjoining plots.
- 2) Alterations to house types, some of which can be found above – Due to the alteration of the building and road levels.
