

Subject: FW: Attached letter from Kirklees Council regarding application number 2023/93029 at location Pentlands, New Mill Road, Holmfirth, HD9 7LN

Hello Richard,

Martin's answer is fine in the respect of same conditions. Please remember however the discharge of conditions application that I responded to whereby we cannot accept drainage on this site until the neighbouring site has constructed the outfall (Midlothian Garage).

Regards,

PF
