<p>I support this proposal. As a relatively new resident of the last 5 years, its clear to see that a push on housing has been granted with three significantly sized estates being developed, yet nothing has been done to address lack of facilities or enterprises north of Lindley.</p> <p>I also believe that the enterprise park can contribute to a reduction in traffic speed which despite the road designated as 40mph, is exceeded daily (especially worse when problems on M62).</p> <p>I would like consideration to be given to a pedestrian crossing, and a turn in lane from the main road, the former will encourage locals to visit minus car.</p> <p><b>**please withhold name and address before publication**</b></p>
