<p>I strongly object to this development. There has been endless development of housing in this area which has caused a huge increase in traffic. Development of businesses will just exacerbate this problem.</p> <p>It has become an unpleasant place to live - traffic pollution is awful, congestion is daily. From previous public comments on social media about this development it seems clear that local people do not welcome this. Crossing the road now is difficult - any further increase in traffic will inevitably cause accidents.</p>
