## User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
Please do not show my name and address on line , Thank you	
Start I object to this application	
With all the new housing built in the area, along with 3 large companies also now on Lindley Moor, the traffic has increased dramatically. The Air Quality is extremely poor, which of course will lead to an increase in Respiratory conditions, with over 600 pupils on roll at Moorlands Primary School, and Lindley Infants and Junior school 1.1/2 miles away, I'm concerned for their future health of school pupils and the population in HD3 Any further development should be refused on Lindley Moor Road and surrounding areas, we should be improving air quality not adding to it.	
All Trees offer FREE carbon capture, and should remain, with more trees planted on Lindley Moor.	
All TPO trees have to remain
