Subject: Planning Application - 2023/93076 - former Lloyds Bank, Slaithwaite

Categories:

Hello,

I am writing in regard to planning application 2023/93076, at the former Lloyds Bank site in Slaithwaite.

I have some concerns regarding parking. The applicant has existing premises in the village on Church Street and there are significant parking problems caused by the site, with double parking on both sides of the street blocking both pedestrians and vehicles. Parking issues should be properly addressed in the application - particularly on Carr Lane and Lewisham Road.

Kind regards,

Harry McCarthy
