Conversion and alterations of existing office into living accommodation (within a Conservation Area)

Date Responded: 15/02/2024.

Responding Officer: D. Stainsby

Responding Ref: K12-42/45

This application seeks approval for the conversion of existing office into living accommodation at 75a North Road, Kirkburton.

Local guidance recommends that one off street parking should be provided for the proposal.

However, given that that on street parking bays are marked out on North Road in front of the property and the sustainable location of the site near to the centre of Kirkburton, it would be difficult to raise an objection to the proposal on Highway safety grounds.

As a result, Highways DM have no objection to the proposals.
