

Appendix A – Climate Change Statement

Climate Change Statement for Planning Applications

Part 1: Applicant details

Name of applicant/agent	Mrs Ellis
Site Address	34 Weavers Avenue, Golcar, HD7 4RR
Description of Development	Single storey rear extension

Part 2: Climate Change Mitigation measures

Please respond to the following questions considering the measures set out in the Climate Change Guidance note:
Q1: What measures have been/will be taken to reduce the energy demand associated with your proposed development beyond the minimum required in Building Regulations? (See section 2)
extension with significant glazed areas to benefit from solar energy, roof tiled/insulated to reduce heat losses
Q2: What measures have been/will be taken to limit the carbon consumed through the implementation and construction processes, e.g. by reusing existing on-site materials or sourcing materials locally? (See section 3)
All materials will be sourced locally wherever possible
Q3: What measures have been/will be taken to utilise renewable or low carbon energy sources? (See section 4)

Q4: What measures have been/will be taken to ensure the building design and layout has been optimised to energy efficiency beyond the minimum requirements in Part L of the Building Regulations ? (See section 5) Extension designed to maximise solar benefits while protecting neighbours amenity.
Q5: What measures have been/will be taken to reduce potential impacts of flooding associated with your proposed development? (See section 6) Site is not within an area liable to flood risk, rain water from extension weill connect to existing dwellings drainage system.
Q6: What measures have been/will be taken to reduce water stress associated with your proposed development? (e.g. Water retention and minimisation measures) (See sections 7 and 8) no increased run off results from the development, the area of the extension is currently hardsurfaced.
Q7: What measures have been/will be taken to provide biodiversity net gains? (See section 8) No biodiversty loss, no trees/shrubs, soft landscaping are affected by the proposal.
Q8: What measures have been/will be taken to reduce air pollution associated with your proposed development? (See section 9) n/a
