Postcode:	HD1 9EL

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I see no details in the application that will cater to the impact of up to 99 vehicles using a single access route onto Deighton road which is already congested and has significant issues relating to the use of the Deighton Centre. Where is there any consideration for resident only parking or restrictions to ensure there is no impact and why can the track at the rear of the Deighton Centre be used to have managed flow of traffic in and out?
