Details Reserved by Condition

– This permission has been granted subject to conditions. Some of the conditions may require you to submit further details. These conditions normally contain the wording "***submitted to and approved in writing by the Local Planning Authority***".

– You can apply online for approval of these details at the Planning Portals website at www.planningportal.gov.uk. Alternatively the forms and supporting guidance for submitting an application can be found online at www.kirklees.gov.uk/planning.

– This Authority recognises the need to ensure that you are able to develop the site as effectively and flexibly as possible. Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

- As this is a decision for a householder application, if you want to appeal against your Local Planning Authority's decision to impose planning conditions then you must do so within 6 months of the date of this notice.

- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice.

- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at **https://www.gov.uk/appeal-householder-planning-decision** . Further information on the Planning Appeal process can be found online at the Planning Inspectorates website **https://www.gov.uk/government/organisations/planning-inspectorate.**

- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that the owner can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council
This notice will require the Council to purchase the owner's interest in the land
in accordance with the provisions of Chapter I of Part VI of the Town and Country Planning Act 1990.
