## User comments

|  |                              |
|--|------------------------------|
| Type of comment: An objection  |                              |
| Do you wish your comments to be published on the website anonymously?  | <input type="checkbox"/> Yes |
| This planning application was approved after previously being rejected and opposed by the village of Netherthong. It is in a conservation area and as such should be meeting stringent conditions in order to be approved. Any reduction in the quality of materials or aesthetic design should be vehemently refused. |                              |
