<p>The look of the building is in complete disregard of the aesthetics of the local area, blocking light and driving a strong potential increase of litter on an area that falls short of an acceptable level as is.</p> <p>The infrastructure of such a small road on a one way system would leave both domestic vehicle drivers, commercial and public transport services struggling to accommodate this Hotels location.</p> <p>For these reasons this application must be struck out.</p> <p>This application is made anonymously as a very concerned resident.</p>
