Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
Dewsbury does not need a hotel, we have hotels that are hardly used, due to the fact no one wants to come here because there is nothing to attract anyone. If the hotel is being built to house illegal migrants, that will cause some very serious problems for everyone, it's intimidating going to the bus station anyway and if groups of migrants are hanging around the bus station along with the drinkers/ drug users it will be a total no go area.
