This is a ridiculous place to try and develop, the area isn't suitable with the small roads on Henry Fredrick which are always full of cars from residential traffic. Meltham Road is a nightmare and there are no safety markings further up only a small sign indicating a drop in speed from 50 to 30. This is dangerous nothing has happened and the extra traffic will exacerbate the situation. Also the sewage from the proposed new housing will have to go down hill ... no through my property and others on Meltham Road feel the same! Ridiculous!
