The proposed sewer through 404 Meltham Road. My home is connected to 402 Meltham road. If the sewer were to leak this could cause subsidence to the house next door, which would also affect my house. Plus the vibration to put the sewer pipe in. Noise and disruption caused by the building process. Pile driving? What are the timings for building? Does it include weekends? Vehicle Access to the site is very poor. Building process would send thousands of heavy wagons along small local road. After built. 82 homes would mean, on average over 110 cars. Local road would not support this amount of traffic
