My objection is on the grounds of lack of supporting facilities in the village such as Doctors and school places. Vehicular access to the site will be difficult as both Henry Frederick Avenue and Roslyn Avenue, for large parts of the day, are single track due to parked cars. I am doubtful that there is the need for the houses as the most recent new builds in Netherton are not selling. I am not aware that there has been any notice regarding this planning application from the council on-line or locally.
