<p>The cafe is located in the middle of a residential area. Last summer it was very noisy into the evening and especially at weekends. As they use the garden overlooking the canal, consequently this noise carries across all the houses and gardens that back onto said canal.</p> <p>An issue all those that live on Marsden lane have is trying to find a space to park one's car near to one's property on finishing work for the day. The idea of later opening hours will exasperate this problem even more and will lead to certain acrimony around this problem.</p>
