### Further Information

Planning application 2023/93538- objections. This will furthermore increase pollution, noise and traffic issues which already exist. Undoubtedly will be an eyesore to local residents and the landscape as this was the case when JDT building company was erected. This has brought devaluation of surrounding properties and increased flooding risks (CTC SMILE: Service Email:- [dc.admin@kirklees.gov.uk](mailto:dc.admin@kirklees.gov.uk))
