

**Consultation Response from KC,
Conservation & Design**

2023/93539 Land adj, Ledgard Bridge Mill, Back Station Road, Mirfield, WF14 8NZ

Outline application, including the considerations of access appearance, layout, and scale, for the erection of a six-storey building to host 76 residential apartments (C3 use) and ancillary works comprising demolition of vacant building, formation of new access, parking areas, open space and landscaping; erection of cycle and bin refuse storage structures

Date Responded: 02.08.2024

Responding Officer: S Pickles

Responding Ref:

C&D previously gave comments in February, stating that there was no objection to the proposals, but there were some concerns regarding design.

On review of the revised submissions, we note there have been some amendments to the scheme which are positive and welcome. On this basis, we have no further comments to offer.
