Planning Application no 2023/93576
Land to the East of Robledo, Beaumont Park Road HD4 5JT

Comments close 13th March

My comment is - I spoke to Mr Bains earlier this year when he visited the site. I told him that some of the trees had preservation orders on them. He said he was unaware of that.

I think looking at the plans these trees have not been taken into account when the plans were drawn up.

A survey was done re the plot for flora/fauna etc. Please ask that the preserved trees have been taken into account.

This is important or the first thing which will happen is they are cut down if a mistake has been made.

Thank you
