Postcode:	WF16 0BJ

## User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I object to this planning proposal as it will overlook my property and block out light to a window in the side of my bungalow. The window affected is the only window in my sitting room and therefore has a major impact on my living conditions in my property. As this proposal is for a games room this is not as important as the utility that the window in my property provides.</p>
