<p>I have recently been informed by my neighbours that the council are planning to put double yellow outside my house at both sides of the road. I use this space daily to park my vehicle and it is necessary for my livelihood and well-being. My neighbours are in the same boat. We all have vehicles and will struggle severely to park -- there is nowhere nearby to do so!</p> <p>Please consider that many of the people who live in this vicinity are elderly and parking far from their homes -- as this proposal suggests -- is highly unsuitable for their health and well being.</p> <p>For example, the weekly shop. One returns from the supermarket with lots of bags to carry. I simply cannot carry the load very far.</p> <p>The road is wide and there exists, in my opinion, more than enough space to cater for parkers and drivers.</p> <p>I beseech you, on behalf of my neighbours and for myself, to reconsider this plan.</p>
