As a resident of Storthes Hall Lane, I strongly object to the plan to create an additional 261 homes on the site on the grounds of: 1) Additional Traffic to a road that cannot support it 2) Loss of woodland (the destruction of Little Springwood) 3) As above, the loss of privacy for existing residents of Storthes Hall Lane. 4) Lack of infrastructure for the proposed additional households - current schools, doctors and dentists are already at capacity 5) Increased pressure building at the bottom of Storthes Hall Lane at peak times, with narrow bridge and bad visibility on joining Penistone Road.
