<p>This is onother massive housing estate in a rural area. There are already hugh house building projects hunderway in this area. This housing development will bring a minimum of 522 cars onto already overcrowded roads.</p> <p>The proposed changes to the junction with Penistone Road have not taken into account how much this project will adversely affect the lives of the unfortunate people living in properties on this junction.</p> <p>Where is the new doctors surgery? School? Dentists? Etc</p> <p>Why is the narrow bridge, over the stream, not being upgraded?</p> <p>What about the impact to the local environment, there are deer in the woods that will be disturbed.</p> <p>This is not a case of NIMBY, but a cry for common sense to prevail.</p>
