| <p>I am very concerned about the impact this proposal would have on car parking for myself and my neighbours around the junction between Storthes Hall Lane and Penistone Road (re. Plan #1080066).</p> <p>The proposal would reduce the available parking significantly, potentially forcing some residents to park quite some distance away from their homes if they were unlucky enough to find the very limited available parking occupied.</p> <p>Also, if residents have visitors (or deliveries for example) where are these people going to park?</p> <p>The majority of residents including myself are not young, and I worry that this potential lack of parking may cause problems in the future - isolation even - for people who are older and who may have reduced mobility.</p> <p>I am also concerned about the apparent lack of consultation made with myself and my neighbours on this matter, given the potential impact on us.</p> |     |
