As a resident on Storthes Hall Lane (Spring Grove) I feel it is unjust and unnecessary to extend “no waiting” restrictions for almost its entirety. Storthes Hall Lane currently serves as a one way road with numerous parked cars to one side that cause no issue whatsoever. The local farmers have little trouble passing with their tractors and trailers so why should it be changed in view of a new housing development half a mile up the road? Parking is limited for both myself and my neighbours at our properties and as a result park on Storthes Hall Lane. I have a young family and having to park several hundred meters from the house would not be feasible with small children and poses a serious safety risk. I would seriously like you to reconsider this aspect of of the proposed plan.
