<p>As a frequent visitor of this location, this reduction in parking, without any provision for alternative parking, is not only impractical but unfair to residents and visitors who rely on these spaces. It will undoubtedly cause chaos, increase traffic congestion, and create unnecessary stress for the community. Such a decision disregards the basic needs of the area.</p> <p>Also, there is the potential impact on safety and traffic flow. The proposal will likely force cars to park in unsafe locations, narrowing the road and obstructing visibility for drivers, cyclists, and pedestrians. This poses a serious risk of accidents, particularly in this area with heavy traffic. The traffic bottlenecks could also delay emergency response times.</p>
