<p>I have a strong objection to the proposed traffic management on junction with Penistone Road</p> <p>I live on Penistone Road, along with the the other 8 houses on this row, we unfortunately have to park on the main road as we don't have off road parking, the introduction of double yellow lines will certainly have a detrimental effect on our lives, if this limited parking that we currently have is removed where do you suggest that we should park our cars? and the proposal that there will be 3 parking spaces created opposite our houses (reduced from the 5 comfortable spaces currently)it is simply not practical. I have a young child to consider, As well as elderly parents who visit. where would the postman park? or delivery drivers, the milkman etc etc. if there are double yellow lines. It will seriously have an adverse effect on our lives and the small businesses nearby.</p>
